Subject: **Announcement of COMSTECH Awards 2023**

Excellency,

I am enclosing the announcement for COMSTECH Awards 2023. Every two years COMSTECH gives a number of awards based on excellent performance in S&T. These awards are restricted to scientists who are citizens of, and working in, OIC member states. For the year 2023, the following categories are announced:

1. COMSTECH Life Time Achievement Awards 2023 in 'Mathematics' and 'Physics'
2. COMSTECH Awards for Excellence in S&T 2023

The awards mentioned in serial No. 1 will be conferred by H.E. The President of Islamic Republic of Pakistan (Chairman COMSTECH) on the occasion of the COMSTECH General Assembly. Since these awards have been initiated for giving recognition to eminent scientists in the OIC member countries, we are trying to give the announcement wide publicity. I shall be grateful for your support in this regard, and request for placement of the announcement on your website as well as circulation in the universities and related research institutes in your country.

Application forms may please be downloaded from our website <http://www.comstech.org/comstech-awards-2023/>. Last date for the receipt of applications is Friday March 31, 2023.

Accept, please Excellency, assurances of my highest consideration and best regards.

Yours sincerely,

Prof. Dr. M. Iqbal Choudhary, *Mustafa (PBUH) Prize Laureate, H.I., S.I., T.I.*
